NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that the Tehama County Air Pollution Control District Board of Directors will hold a public hearing on Tuesday, September 1, 2015 at 11 a.m., or as soon thereafter as may be heard in the Board Chambers, 727 Oak Street, Red Bluff, California, to consider adoption of Rule 2:3c New Source Review, New and Major Stationary Sources in the Tuscan Buttes Nonattainment Area.

The purpose of the proposed Rule is to meet requirements set by the U.S EPA for Districts with nonattainment areas in their jurisdiction. March 2009, California recommended that a new partial-county area be designated as "nonattainment" for the 2008 1-hour ozone National Ambient Air Quality Standard (NAAQS) based on data collected from Federal Equivalent Method (FEM) monitors. The proposed Rule will pertain specifically to the area defined as those portions of the immediate Tuscan Buttes area, located within Township 28N Range 2W, Mount Diablo Base and Meridian, at or above 1,800 feet elevation, as referenced in 40 CFR 81.305.

A copy of the proposed Rule and staff report are available for viewing by the public at the Air Pollution Control District Office located at 1834 Walnut Street, Red Bluff, California and on the Districts website www.tehcoapcd.net. Written views or comments may be submitted within thirty (30) days of the date of

this notice. Any comments received will be considered. Please submit comments to the Air Pollution Control District office, attention Kristin Hall-Stein, Air Pollution Control Officer or by calling 530-527-3717 no later than August 12, 2015 at 5pm, or may be delivered prior to the public hearing to the Tehama County Clerk of the Board of Supervisor's Office, 633 Washington St, Room 12, County of Tehama, Red Bluff, California.
